

PERIODONTIST, PRACTICE OPPORTUNITY

KAMLOOPS:

This beautiful west coast "Tournament Capital of Canada" city - population of 100,000 with a drain of 200,000 is 3.5 hours from Vancouver and 1 hour to the Okanagan. The surrounding region boasts excellent powder skiing with Sun Peaks Resort and the Shuswap Lake district within 45mins. The region also claims the best mountain biking, hiking trails and cross country skiing in the interior. Enjoy the best of both worlds: a fantastic, professional work environment balanced with affordable living, great schools and a civilized pace of outdoor life!

Check out the web site: www.citykamloops.bc.ca

LOCATION:

Kamloops has been noted by census as the fastest growing region in Canada! The practice was established in 1997 with a present gross in the 7 figures. Kamloops proper has over 75 general dentists, an endodontist, 4 orthodontists and 2 oral surgeons and now a pediatric dentist opening brand new in September 2020. Regional drain, referral base ~150 general dentists.

FACILITY:

This bright and sunny 4 operatory clinic on the main floor of a residential/commercial building complex boasts a spectacular 200' view. Across the street is the 2nd biggest university in BC and is located next to medical clinics, a pharmacy and 2 general practices. Well located with street frontage and 2 parking stalls and plenty of patient parking. The office has CADI Digital Xray system, instrumentarium CBCT, iv sedation equipped, Curve Hero web based practice management and laser technology and most importantly IQAIR purification systems installed for COVID 19 and all other PPE instituted.

THE PRACTICE:

RK House has evaluated this as one of the most efficiently run periodontal offices in BC wrt overhead/staff salaries. All facets of periodontics are practiced: dental implants (Straumann or Nobel Biocare, ASTRA, Biohorizons), ridge site development, block grafts, traditional pocket elimination and abundant periodontal plastic procedures.

FEES:

This is a NON Assignment office with fees the same or within 10% of the current BC Specialty fee guide.

HOURS/STAFFING:

Monday-Thursday with 1 Friday per month 9am - 4:30pm. Average working 160 days per year. Four staff in total: 1 front desk, 2 CDAs 1 RDH. Huge opportunity to expand hours and services for the right candidate.

SUMMARY:

I am seeking an appropriate candidate for this busy, high level, boutique practice. The candidate must strive towards full ownership as the long term goal whether immediately or phased in, can be negotiated. The established office serves the 200,000+ drainage area extending from Salmon Arm to Merritt and Williams Lake to Vernon. Personnel include an excellent and well trained hygiene staff who practice @ a specialty level and dedicated and experienced support staff complete the team. The practice is well respected with >60 referring dentists and is expanding and thriving.
