

Full-Time Associate Periodontist Position – Ottawa, Ontario

Job Summary

Periodontal office in Ottawa is looking for a periodontist for a full-time position with an opportunity for partnership and/or ownership at a busy, well-established practice. The current periodontist will be relocating.

About Us

Carling Periodontics is a busy periodontal office located in our nation's capital city. It boasts a solid referral base, highly-trained staff, as well as up-to-date technology (e.g., LANAP, intraoral scanner, cloud-based office software). Our practice is highly efficient and well-organized, and our work atmosphere is inclusive, welcoming and upbeat. Nestled near the gorgeous Westboro neighbourhood of Ottawa, our office is close to all of the amenities and attractions that our nation's capital has to offer. Ottawa is a beautiful historical city filled with parks, historical sites, and year-round outdoor attractions, including the famed Rideau Canal skateway and stunning Parliament Hill. It is a city ideal for families and for single working professionals alike, filled with charm, energy, and friendly locals. Our city is home to well over 500 general dentist offices, and only a small handful of periodontal practices, offering a highly favourable market for specialists. We offer a full suite of periodontal and implant dentistry services to our community. As we have solid referral bases, an efficient infrastructure, and a highly-experienced management team, we are able to offer our periodontists an atmosphere in which they can excel, feel satisfied and well-supported in their work, as well as rapidly grow their roots to become a recognized member of our city's dental community.

Carling Periodontics is a member of the Periodontal Associates of Ottawa family of practices. Our group of offices are ever-growing, high-grossing, and very well-regarded.

What Can We Offer You?

- Full-time position at a busy periodontal practice that comes fully equipped with a high rate of referrals, dedicated staff, and a fully-outfitted office environment
- Potential practice buy-in opportunity
- Dedicated marketing team to support you in growing your referral base
- Mentorship available from periodontist with over 10 years of clinical and practice-ownership experience (excellent opportunity for an early-career Periodontist)

Supportive, collegial practice with ample opportunities for social engagement and group professional growth activities

About You

The successful candidate will have a passion for building strong patient and referral relationships, and values providing high-quality patient care delivered in a friendly and approachable manner.

Requirements

- Be registered, or immediately eligible for registration with the RCDSO
- Hold a specialty license in Periodontics, or be immediately eligible for licensure as a Periodontist in Ontario
- English essential
- Bilingualism would be considered an asset

Further Information
