Throughout the course of this meeting, we will be immersed in a wealth of knowledge and innovation. Our esteemed speakers will enlighten us with their expertise, offering insights into the latest advancements and techniques that are transforming the landscape of periodontology.

But it's not all work! We have some exciting social activities planned. We'll kick off the meeting with laughter at the Yuk Yuk comedy club during our Welcome Reception. Then, join us for an elegant evening at the President's Gala on Saturday night, complete with live entertainment that will surely delight. On Sunday, you can take your pick from a guided fishing tour at Lake of the Wood or enjoy a round of golf at the prestigious Glendale Golf and Country Club.

The Fort Garry Hotel, our venue, holds a special place in Winnipeg's history and offers a stunning backdrop for our discussions and connections. I encourage you to take advantage of the luxurious amenities, including the renowned Tens Spa and Hamam. It's the perfect way to unwind and recharge after our busy days of learning and networking. In addition to the hotel's offerings, there are wonderful attractions within walking distance. The Museum of Human Rights is a short stroll away, offering a fascinating exploration of human rights history. And don't miss the chance to visit The Forks Market, where you can experience local cuisine, shopping, and entertainment.

These moments of camaraderie are just as important as the knowledge we'll gain. Let's make the most of our time together, forging connections and creating memories

Looking forward to an exceptional meeting filled with learning, camaraderie, and unforgettable experiences!
